

Surgical Innovations Group plc (AIM: SUN), a leading creator of innovative medical technology addressing unmet clinical needs in minimally invasive surgery, is pleased to announce that it has entered into a £3 million banking facility from Yorkshire Bank's Business and Private Banking Centre in Leeds. The funding will be utilised to help SI enhance its existing services, as well as support the Company in meeting increasing demand from export markets.

Mike Thornton, Chief Financial Officer at Surgical Innovations, commented: "We are delighted to have selected Yorkshire Bank as our funding partner. Yorkshire Bank has demonstrated a keen interest in supporting SI and their facilities will help support the Company achieve its planned strategic growth objectives."

Steve Roe, Corporate Director at Yorkshire Bank, said: "The success of Surgical Innovations is testament to the experience, drive and expertise shown by the management team, and represents the entrepreneurial spirit of businesses in West Yorkshire.

"As we begin to see signs of economic recovery, Yorkshire Bank remains focused on investing in the growth ambitions of the local business community."
