CE mark certification obtained for CELLIS range

Surgical Innovations Group plc (AIM: SUN), the designer and manufacturer of innovative medical technology for minimally invasive surgery, provides a further update relating to the CELLIS range of products supplied to its UK distribution business, Elemental Healthcare Limited ("Elemental") by Meccellis Biotech SA ("Meccellis").

On 12 September 2018, Elemental received confirmation from Meccellis that CE certification has been issued in respect of the full range of CELLIS products previously sold by Elemental, and also covering innovative new products including the CELLIS Breast Pocket range launched at the London Breast meeting on 6 & 7 September 2018. The certificates are valid until August 2023.

Meccellis are now in a position to resume manufacture of these products, and detailed plans are in progress to facilitate a timely and controlled reintroduction to the UK market in coming weeks.
